

Internationalising Higher Education Institutions:-

The role of the PhD Research. A South African view

Dr Nico Jooste

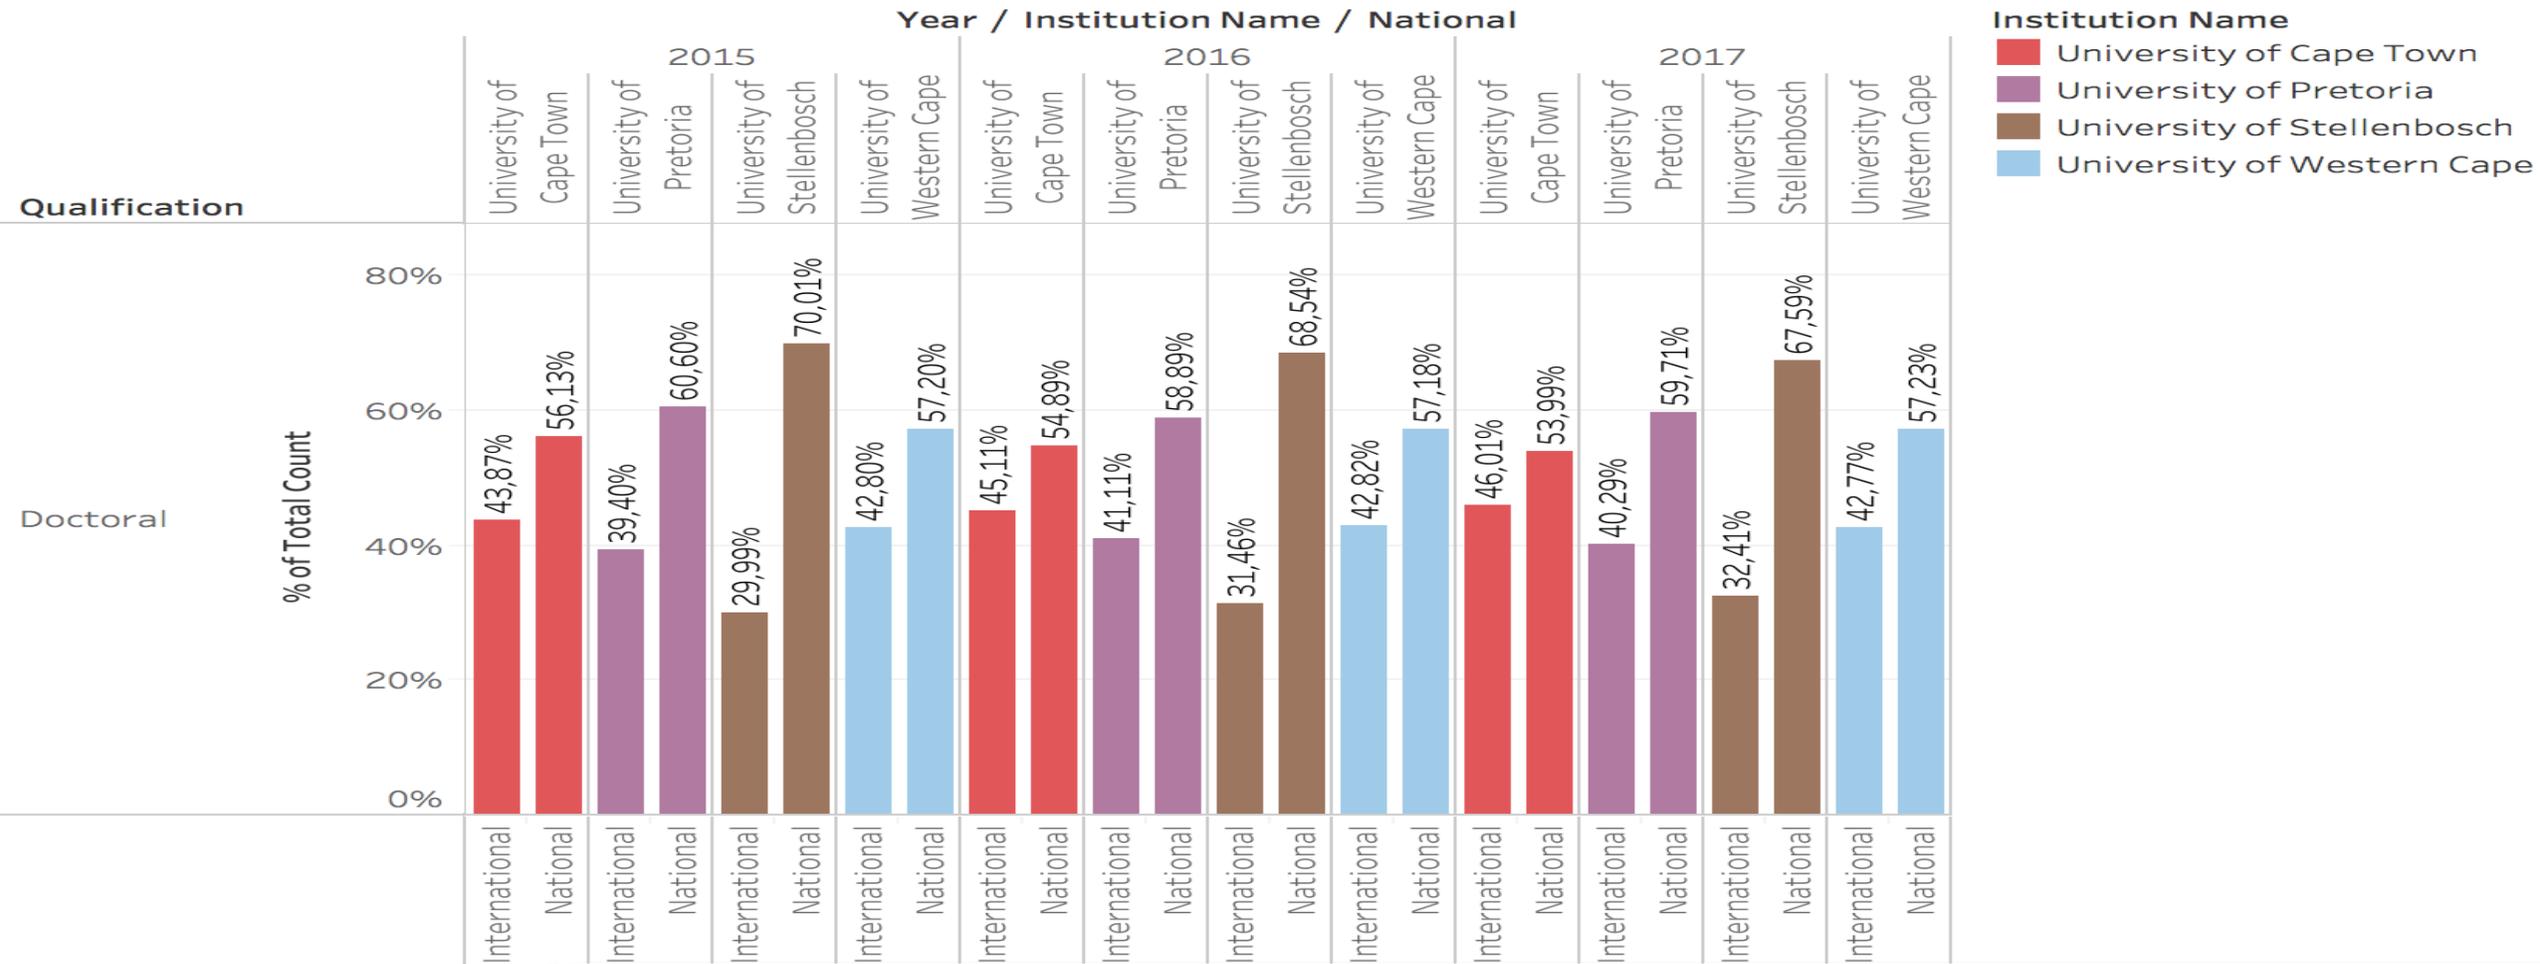

nico@highered-research.com

Introduction

- ❖ The PhD and Internationalisation ? What is the focus?
- ❖ What is the current situation in South Africa/the South African Universities- analyzing the data.
- ❖ Who are the International PhD Students in the system?
- ❖ Institutional questions – Recruitment: Institutional onboarding; Full-time vs part time students; how international are the research topics – what does it mean to have an international research topic?
- ❖ Questions to discuss

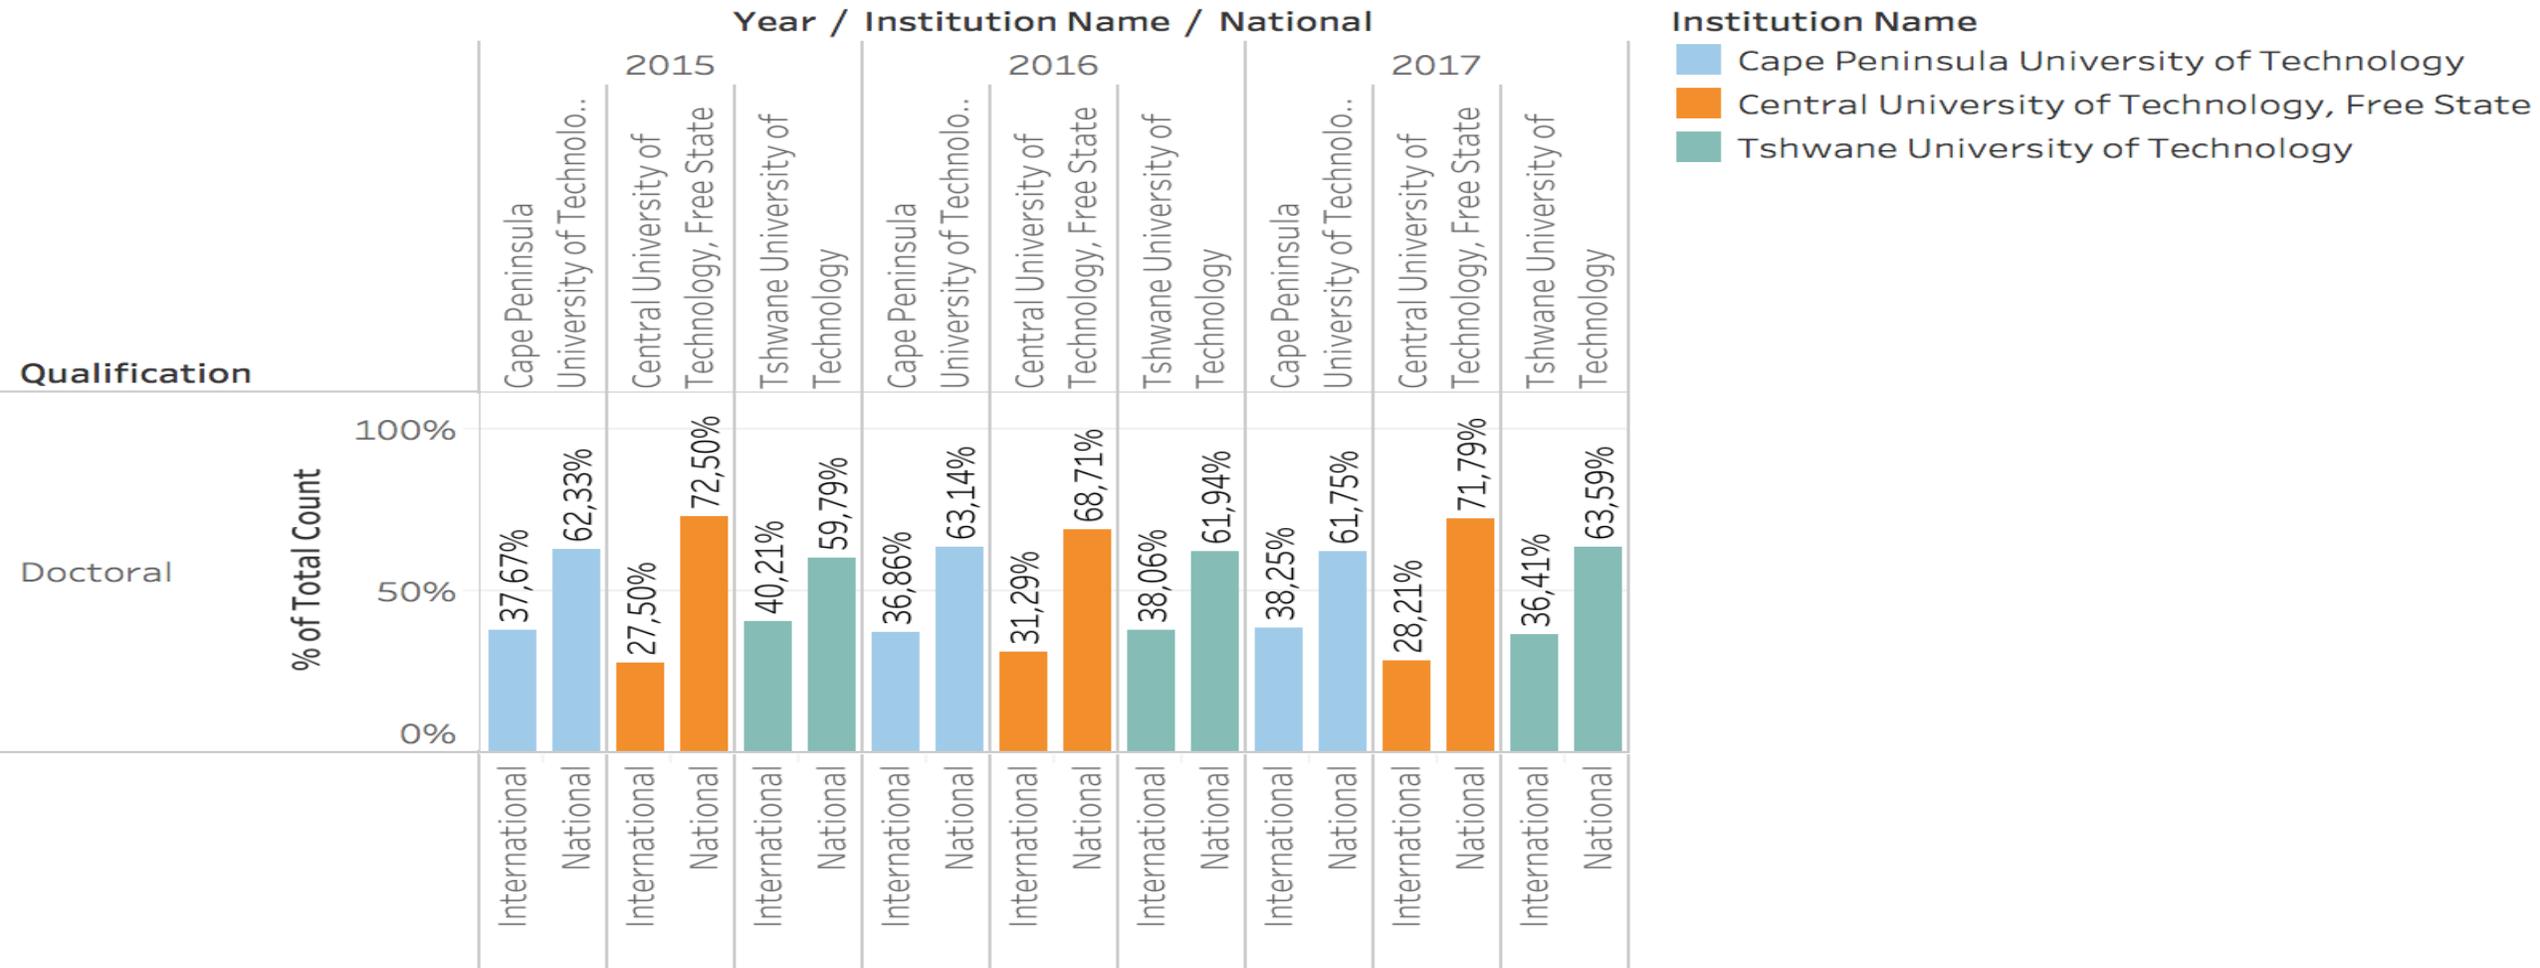

Ratio Int vs Nat – Universities

International Student Enrolment

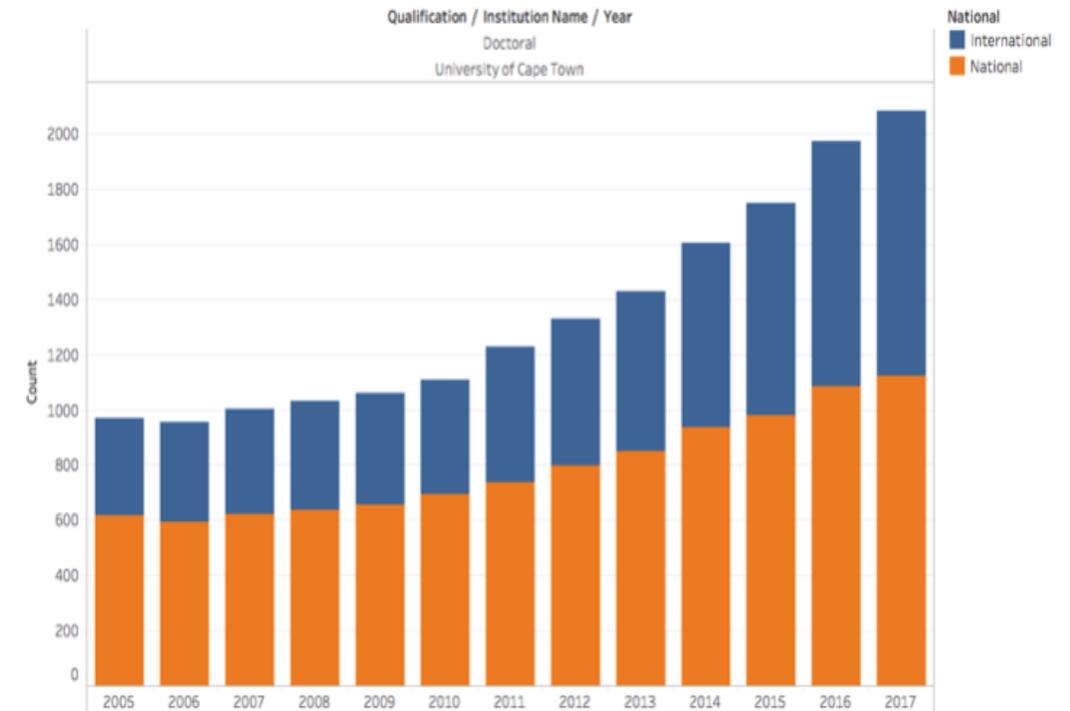

PhD students of Research Universities

Doctoral Enrolment

Sum of Count for each Year broken down by Qualification and Institution Name. Color shows details about National. The view is filtered on Qualification, Institution Name and National. The Qualification filter keeps Doctoral. The Institution Name filter keeps University of Stellenbosch. The National filter keeps International and National.

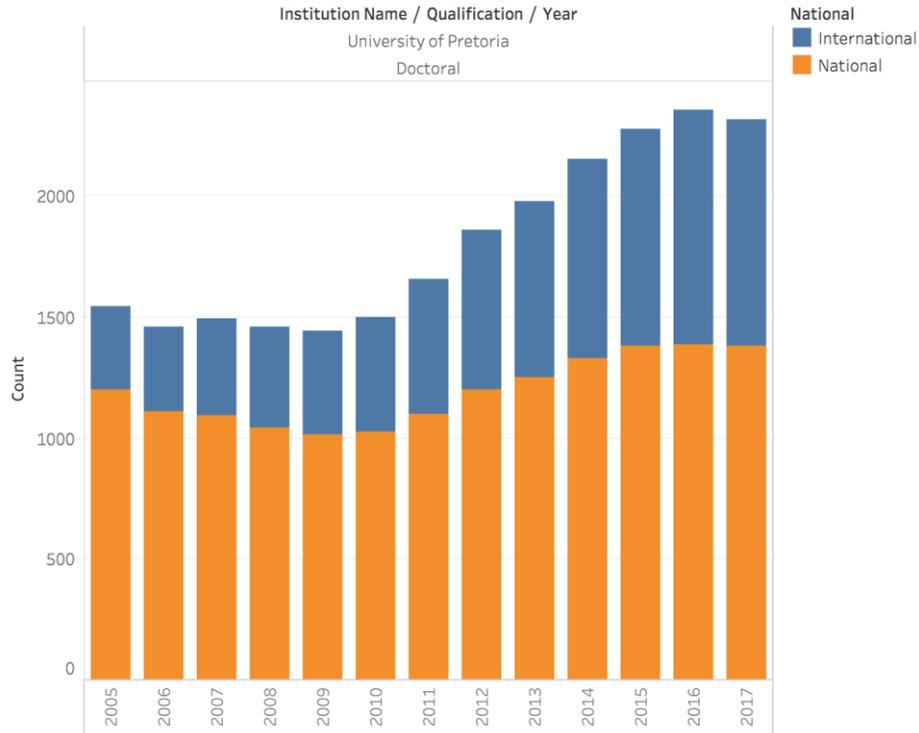

Doctoral Enrolment

Sum of Count for each Year broken down by Qualification and Institution Name. Color shows details about National. The view is filtered on Qualification, Institution Name and National. The Qualification filter keeps Doctoral. The Institution Name filter keeps University of Cape Town. The National filter keeps International and National.

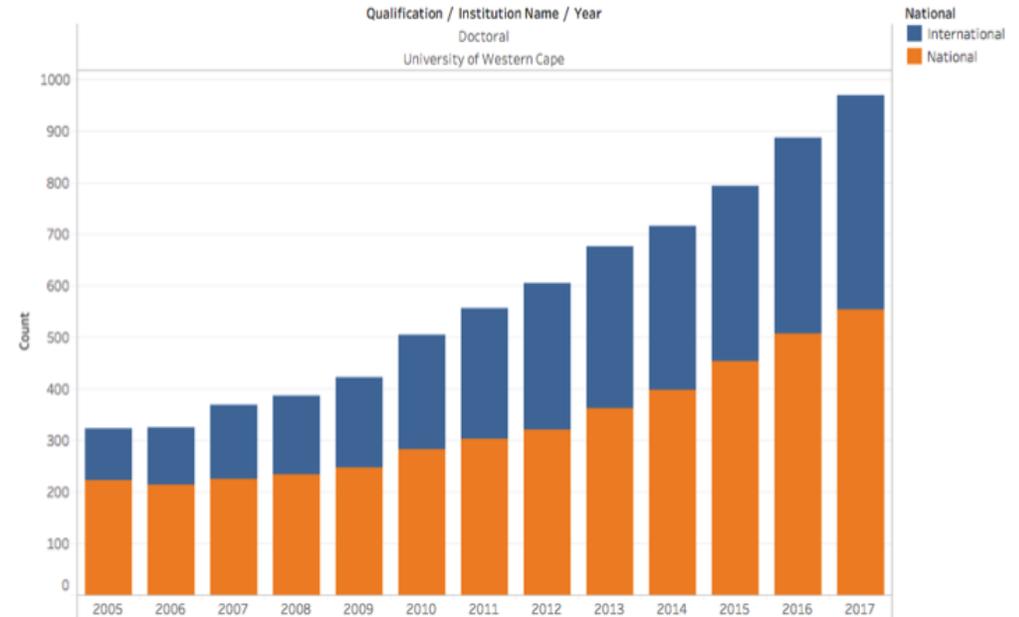

PhD students of Research Universities

Doctoral Enrolment

Sum of Count for each Year broken down by Institution Name and Qualification. Color shows details about National. The view is filtered on Qualification and Institution Name. The Qualification filter keeps Doctoral. The Institution Name filter keeps University of Pretoria.

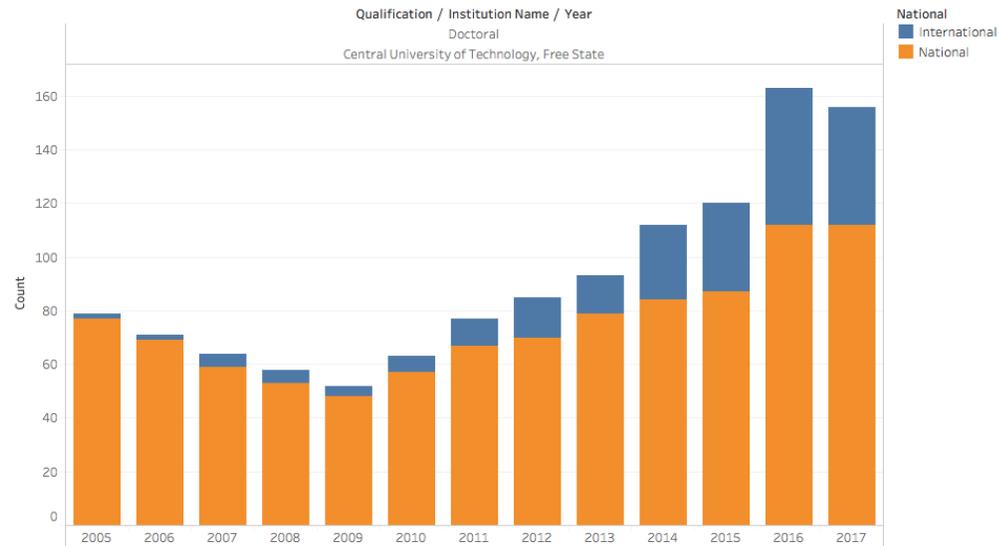

Doctoral Enrolment

Sum of Count for each Year broken down by Qualification and Institution Name. Color shows details about National. The view is filtered on Qualification, Institution Name and National. The Qualification filter keeps Doctoral. The Institution Name filter keeps University of Western Cape. The National filter keeps International and National.

PhD students of Universities of Technology

Doctoral Enrolment

Sum of Count for each Year broken down by Qualification and Institution Name. Color shows details about National. The view is filtered on Doctoral. The Institution Name filter keeps Central University of Technology, Free State. The National filter keeps International and National.

Doctoral Enrolment

Sum of Count for each Year broken down by Qualification and Institution Name. Color shows details about National. The view is filtered on Doctoral. The Institution Name filter keeps Cape Peninsula University of Technology.

Doctoral Enrolment

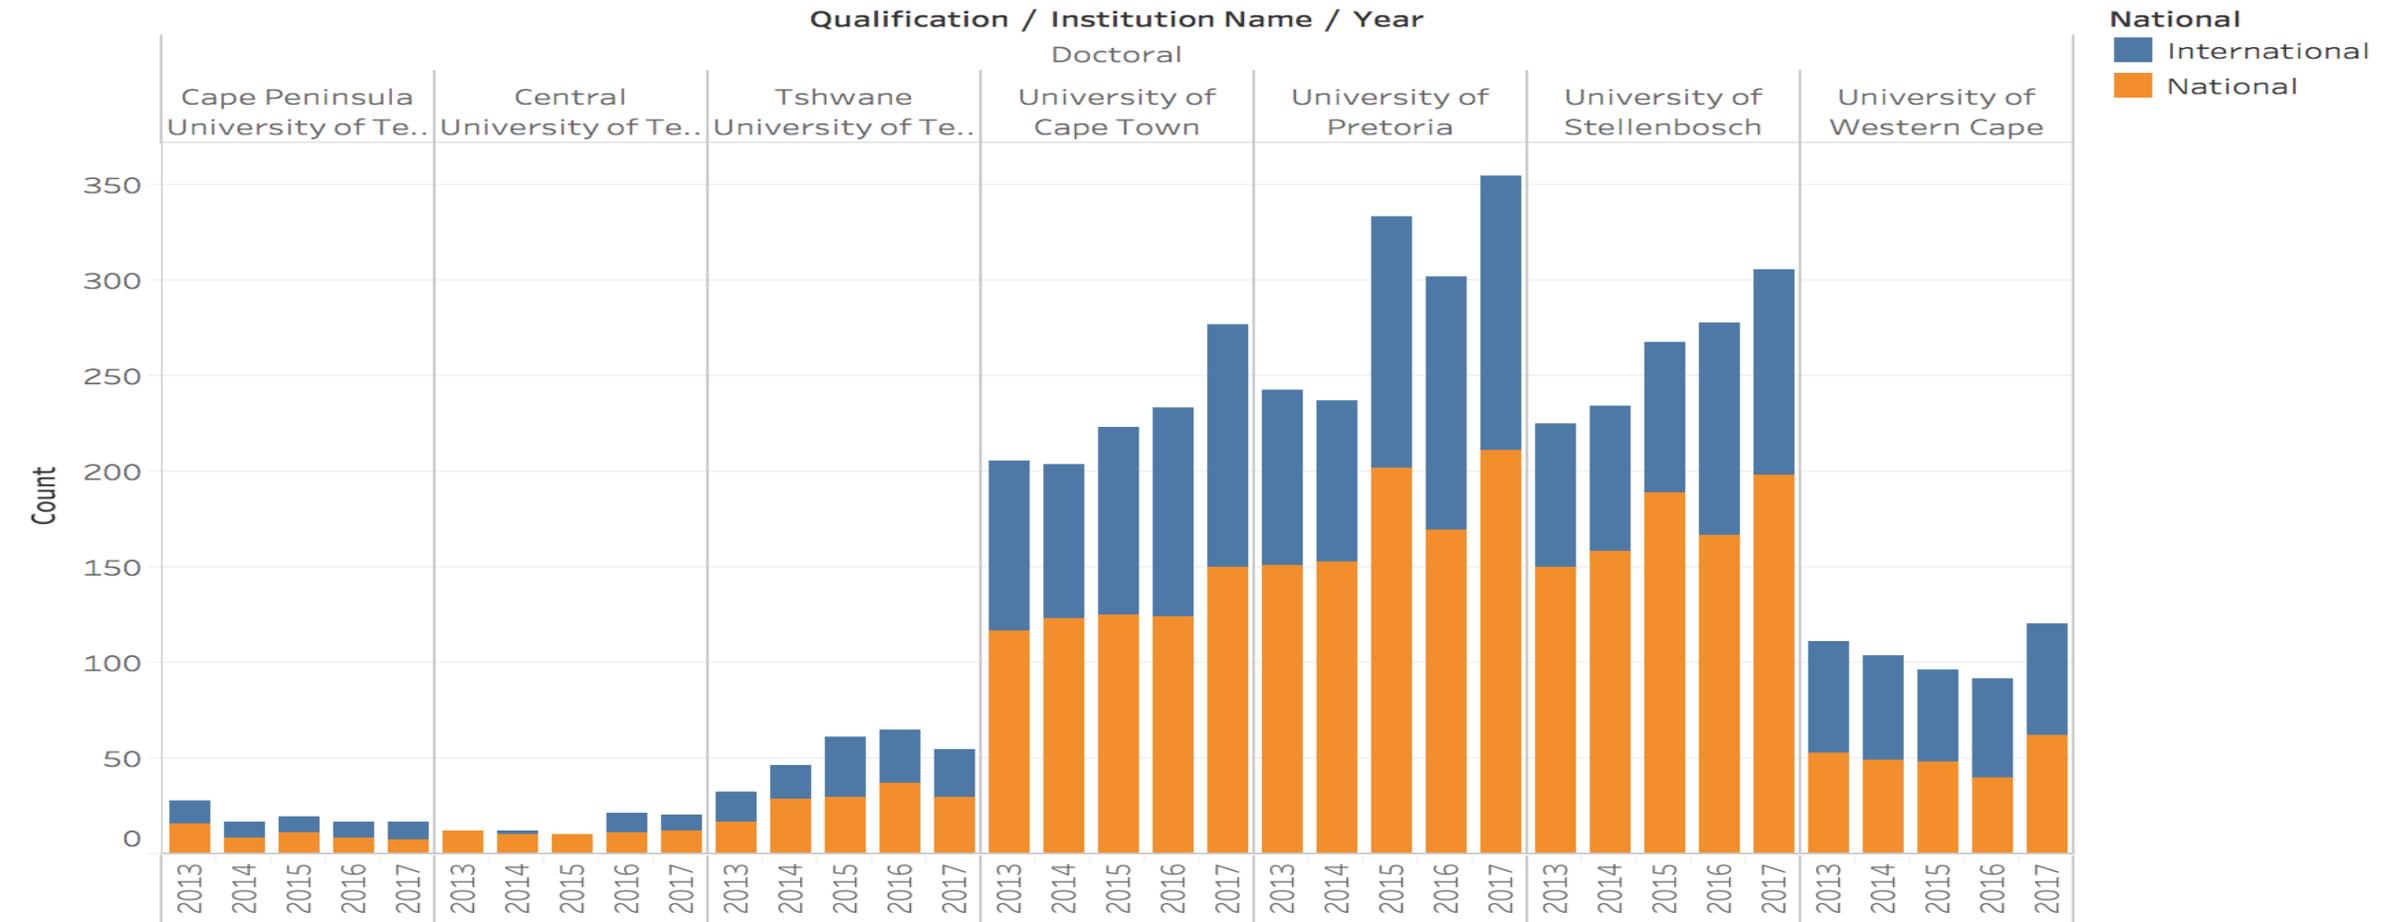

Sum of Count for each Year broken down by Qualification and Institution Name. Color shows details about National. The view is filtered on Doctoral. The Institution Name filter keeps Tshwane University of Technology. The National filter keeps International and National.

Critical Questions

Does the Institution define the Internationalisation of Research in its Internationalisation Strategy? If so, how does International PhD students' research projects/topics serve both the local and the global knowledge society?

PhD Graduates

Doctoral Graduates

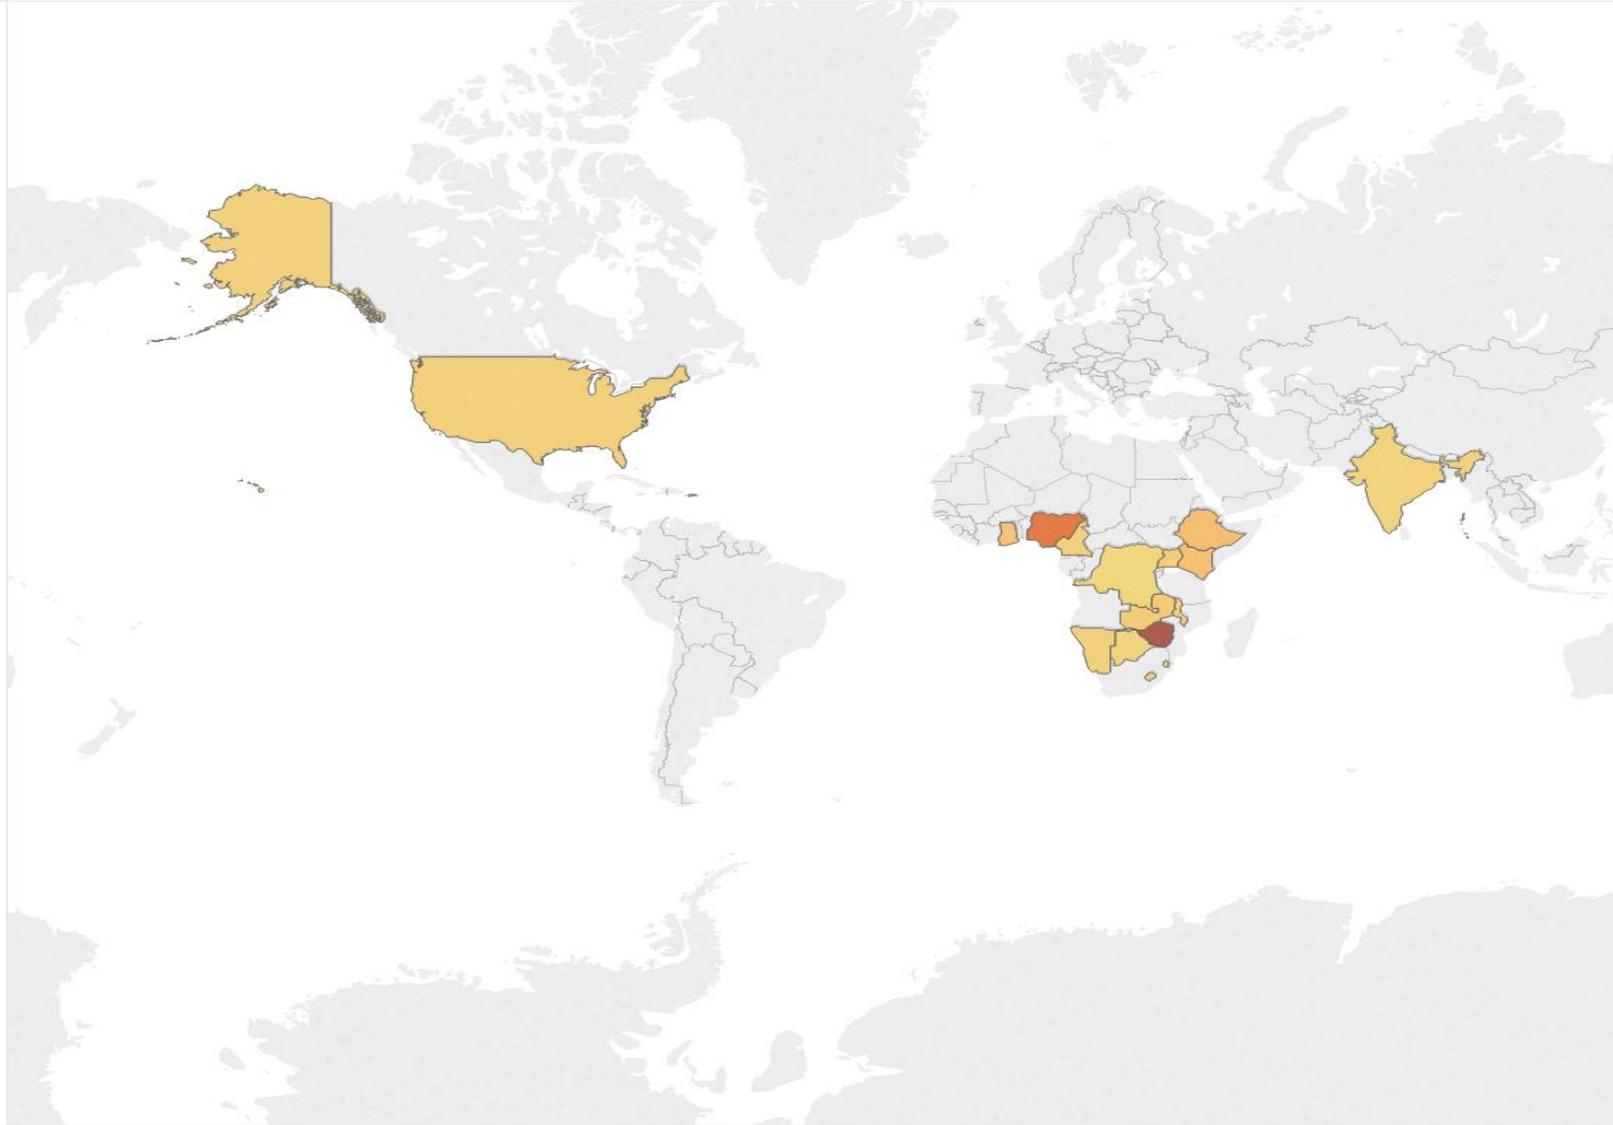

Critical Questions

To enhance the global impact of research, how does the Institution ensure a diverse PhD student population?
